

Acting for Live Theatre-

This one-hour class is offered for students' ages 9 through 18. During this class students' will explore different acting techniques through theatre games, scenes, and other activities. Each acting class will be given two separate scenes to perform for both the January Showcase and May Showcase.

Voice Performance Ages 9-11-

This 30-minute class is offered for students' ages 9 through 11. Students will receive group vocal training as well as learn vocal performance techniques. All our voice performance classes perform in our January and May showcases.

Private Voice Lessons Ages 9 and up-

These 30-minutes private voice lessons are the next step for students who participate in our regular classes. Each student will have a private lesson once a week with our vocal teacher. The student will work on vocal techniques and performance aspects. Each student will perform 1-2 songs in a showcase. The private voice showcase will be separate from our regular theatre school showcases.

Jazz for Musical Theatre-

Using fundamentals of musical theatre choreography, we teach jazz technique as it relates to the Broadway stage. This class is one hour a week and offered at a variety of levels. Students who take this class will perform one dance number both in the January showcase and May showcase.

Fundamentals of Musical Theatre Ages 7-8-

This 90-minute class allows our students to begin learning all that is a part of musical theatre. During this class students will learn vocals, dancing, and acting through many fun and exciting theatre exercises. In our January and May showcase these students will perform a dance number, vocal number and scene.

Fundamentals of Musical Theatre Ages 5-6-

This one-hour class allows our students to begin learning the true basics of musical theatre. During this class students will learn the basic of vocals, dance, and acting as it relates to the Broadway stage. In our January and May showcase these students will perform one vocal & dance number and a scene.

Academy Kids! Ages 5 and up-

This audition only company is for students ages 5-9 looking for a more intensive experience in musical theatre. In addition to performing in our two regular school showcases, students will also perform in their own musical production in March! Students will spend more time and opportunities each week to train, rehearse and perform. Academy Kids! company members will also participate in our year end workshop with Young Performers of America from NYC!

Academy Performance Group Ages 10 and up-

This audition only performance company is for students looking for a more intensive experience in musical theatre. Students come to class 2-3 times a week and perform in their own production in addition to the January and May Showcases. For more information please visit the APG page on the website.

Academy Encore Ensemble 9th-12th grade-

This audition only company is for high school students looking for more intensive musical theatre training. These students perform in two full scale musical productions throughout the year in addition to the January and May Showcase. Workshop, trips, and other opportunities are also available to these students. For more information please visit the AEE page on our website.
